# Quip Kid Electric Toothbrush

Oral health is a big deal - and the right technique makes all the difference.

A grown-up brush designed to help kids build better habits.

Small teeth need a smaller brush head to get in every nook and cranny. Gentle, timed sonic vibrations provide an effective clean while minimizing mess and toothpaste splatter.

Smaller head to clean tight spaces  
Two-minute timer with 30-second pulses  
Soft round-tipped nylon bristles
