Dycem

Dycem material is the ideal non-slip material choice for improving grip, providing stability, and enhancing visual cues during everyday activities and exercise.

Two-sided grip ensures the material itself will not slip along with items placed on the material.

Flexible material is easy to cut and flex to fit around many objects.

Reusable, easy-to-clean material is non-toxic and latex-free.

Great for a wide range of needs whether its used at home, therapy, the office, or on the go to aid in daily living activities.
