Otter Bathing System

The Otter Bathing System is a highly versatile, lightweight special needs bath and shower chair. The Otter bath chair is recommended for children and adults with mild to moderate physical involvement up to 72" (182.9 cm) tall. Its lightweight, angle adjustable, folding frame makes the Otter Bathing System the perfect solution for safe, comfortable, and secure bathing for children and adults with special needs. The Otter bath and shower chair can be folded flat for storage or transport.

The Otter bath chair's seat and backrest angles are independently adjustable to suit specific upper and lower body positioning needs. Whether completely upright or horizontal, the Otter bath chair is certain to provide optimal support, comfort, and safety to suit each individual's needs.
