Special Tomato Soft-Touch Sitter

The Special Tomato Soft-Touch Sitters are an adaptive seating system that provides support in a variety of sitting positions.

All of the Sitters come with Attachment Straps as a standard feature. This allows you to securely attach the Sitters to a stable dining chair, classroom chair, stroller or any of the Special Tomato Bases: Floor Wedge, Stationary Base or Mobile Base.

The Special Tomato Sitters are intended for children with mild to moderate positioning needs. The special needs Soft-Touch products are made from Special Tomato's soft to the touch material that has anti-microbial properties, is impermeable to fluids, as well as latex-free and peel- and tear-resistant.
